Year	2000-2003
* Three year program with 3 hour classes 7 days a week.	

BTEC – HND (Higher National Diploma in Computing and Multimedia)

Overall BTEC Grade	MERIT
Conferred by	
The first 2 years of the Bachelor of Information Technology program mentioned above are governed by Edexcel, UK. BTEC-HND was awarded once all courses of its 2 year program are passed.	

Intermediate: 78.6% (ISC Board) Year: 1999

High School : 88.4% (ISCE Board) Year: 1997

Academic Achievements

- Selected for the prestigious NTSE (National Talent Search Examination) Award and Scholarship in Class X.
Was among the 750 selected students from all 28 states of India.
- I got campus placed in the first 2 companies that visited the Institute – Wipro Technologies and iGate.

Professional experience & Other projects.

- 1.5 years of work experience in Web Technologies including J2EE, .NET and Coldfusion.
- Was part of the usability tests of a HP Labs project to test their graphic tablet for variety of handwritings and accuracy in identifying Devnagri script alphabet.
- Worked in the design, development and maintenance of website of Nationwide Insurance, USA. The responsibilities included designing and coding for the rollout of web-based insurance to new states. This project was a part of assignment of my company, Wipro Technologies.
- Was awarded the prestigious 'Feather in My Cap' award by Wipro Technologies for my superlative performance in Nationwide Insurance project.

- Developed a GUI based solution to the classic 8 queen chess problem in C++.
- Developed a DVD/VCD file clip maker software in C++ which cuts any media file and generates clips of desired length. Ranks 1 in Google Search Engine against keyword 'DVD Clip maker'. Ranks in top 10 in all search engines in various other related keywords.
- Developed a web based 'Location Tracer' system which can help people to trace people's country, city and other details with much accuracy and ease. Ranks high in all search engines for related keywords. Have got great reviews and feedback on the system by users around the globe. The 'Location Tracer' system can be accessed at <http://shivampatel.net/trace>
- Developed a comprehensive web-site 'hits' statistics system for an Australian firm. Details of my work can be found at <http://ozholidayparks.com.au/admin.asp> *
- Developed a 'Web Interview System' in ASP.NET for a company in Lexington, Kentucky (USA). *
- * The 2 projects mentioned above are a part of my short stint with a professional coding website rentacoder.com I am Ranked Coder #7,478 out of 197,227 registered coders (higher than 96.20% of my peers)
Online ranking page can be reached at:
<http://www.rentacoder.com/RentACoder/SoftwareCoders/showBioInfo.asp?lngAuthorId=1213437>

College Activities/Achievements

- Have developed the placement web site of the college www.ietplacementcell.net. The placement website is amongst the very few in the country that provides most updated data on the current year and previous year placed students. Companies can perform an online search of the profiles they are looking for and can shortlist various candidates based on various search criteria.
- Was Student Assistant Coordinator of Technical Events in ENCORE'04 (College's annual festival)
- Was part the much appreciated college final year song which was officially released as a video CD in my city. More details at <http://na-jaa.com>

Programming/Scripting Languages Known

- C, C++, ASP and ASP.NET, Coldfusion, Java, Javascript.
- Pursuing Cisco Networking Academy Program. Completed 2 of 4 modules.

Areas of Interests

- Networking, Graphics, Web-Programming.
- My childhood stint with graphics and attempts to apply graphical algorithms with GWBASIC can be read at <http://shivampatel.net/meAndGWbasic>

Community activities

- Lifetime Member of Uttar Pradesh Red Cross Society. Underwent training by the Red Cross Society of my State and passed the evaluation to become a life member.

Family Background

- Father: **Dr. Vinod Kumar**
Chief Medical Officer of Faizabad District of India.
- Mother: **Dr. Nishi Bala**
Ph.D. in Hindi Literature
- Sister: **Dr. Vertika Patel**
Gynecologist
